Sanford Rose Recruits CIO For Medical University of South Carolina

Executive search firm [Sanford Rose Associates](#) has placed Michael Balassone as chief information officer of The Medical University of South Carolina Faculty Practice Plan. Mr. Balassone comes from West Virginia University Hospitals and University Health Associates, where he served as vice president and chief information officer. Recruiters William Behrens and Tim Tolan of Sanford Rose led the search. The Medical University of South Carolina Faculty Practice Plan is a growing organization with over 600 physicians with an annual growth rate exceeding 15 percent. Founded in 1959, Sanford Rose Associates currently serves its worldwide roster of client companies from offices in North America and Asia.
